Dallas, Texas, March 2.—The following statement was made today by P. P. Chayton, of the publicity of the property in the foreign of the publicity of the Liberty loan situation is the manner in which the people have awakened to the peeds of the situation. The federal reserve bank has a number of organizers and speakers covering the territory and reports price sented at the people of the clustrict remains the property of the senting this as their war. The people of the clustrict remains the people of the people of the clustrict remains at its funny, and with the people of the clustrict remains the people of the people of the clustrict remains the people of the people of the clustrict remains the people of the clustrict remains the people of the people of the clustrict remains the people of the clustrict remains the people of the people of the people of the clustrict remains the people of the people of the clustrict remains the people of the people of the people of the clustric remains the people of the people of

## Innocents Try Wickedness, But

of the charmeters in the footbook written by Howard McKent Harmon, a brilliant young American author to marry the phrace from a misgrided young couple who go to him for help. The youth wants to marry the girl, but his aunt, who objects to the marriage, has told him that he is a nameless founding and for that reason he seeks for his sweet, heart the only other way out. The girl is against the plan, but in desperation consents to see the physician. The latter shows the bewildered young people the right stop to take. Buring the engagement at the Toxas Grand, commencing Sunday afternoon, and up to and including well inceeds y, March 13, with daily made will be admitted at the Sunday matinee performances.
